Your comments on the planning application: We object to the change of use for this property . The existing use provides a valuable 7 day a week service to the local community . There is already a large veterinary service in this small collection of shops , a further one is not required and would not contribute in any way to the cohesion of this neighbourhood . The demise of the post office , the death of the pub and the proliferation of restaurants etc . In this small square have already seriously eroded its 'local ' feel , let's try to stop any further erosion of useful shops within a walking distance of so many residents .
