Dear Sir / Madam,

Thank you for your letter dated August 8th 2014 regarding planning for tree removal at 19 Maresfield Gardens NW3 5SN.

I am a resident at the property and fully support the application - the tree in question was placed there years ago without thought for the fact that it would grow huge, and its roots are now damaging the walls and outer buildings of the property, so should absolutely be replaced with a more suitable type.

In addition I would imagine that it blocks out all light for the lower apartments, which can not be nice for them (I live on the top floor so this is not an issue for us personally, but I appreciate and agree with the issue for the ground and 1st floor residents.)

Best regards,

Martin Dodd
