Your comments on the planning application: I am against this development.

Whilst it is commendable that Camden are trying to build more family units, presumably for social rent/affordable housing, it appears to me to be over-development. The low rise nature of Lamble Street and the houses already there will be completely dominated by 'shoe horned' in these three storey houses, and it seems a real shame to lose the large tree. Suggestions:

the space should be handed to the community for allotments or similar growing projects.

Secondly, Camden should tackle the empty homes and brownfield spaces (for example, the garages on Oak Village next to the coffee shop which have now lain derelict for what must be over 10 years) using their statutory powers as needed. The corner plots on Lamble Street provide a green break in an otherwise fairly high density housing area. This sets a sad precedent. Please reject.
