Subject: Pruning of Acer at 35 St Augustine's Road - 2014/5013/T
Categories: Purple Category

Dear Sir/Madam

I am writing to reapply for the Acer at 35 St Augustine's Road, London NW1 9RL to be pruned.

An application was previously made by Mr Antony Wylan on our behalf. I believe he did send the amounts to be pruned as requested but unfortunately you did not receive his letter so I am emailing you instead. He proposes to reduce the branches that hang over the lawn by approximately 40% back to laterals and with the branches at the back to leave 1 metre clear from the house behind.

Please could you let me know if this meets with your approval.

Kind regards

Melanie Gray
