Please find enclosed, for your consideration, an application for the approval of details reserved by conditions 4, 5 and 7 of the above Planning Approval. The application has been made through the Planning Portal and this letter together with drawing number 560/07 (showing details of the hard and soft landscaping) form part of the application.

Condition 4:

The facing brick that we intend to use is a "Smeed Dean London Stock" brick. The photograph below clearly shows the matching colour of the brick.

The sample can be seen on site and if required we can construct a sample panel for your approval. Please let me know your requirements.

Condition 5:

Below is a photograph of a secure cycle storage area where a space for one cycle will be made available for this house.

Condition 7:

Details of the hard and soft landscaping are clearly shown on drawing number 560/07 which has been included within the on-line application.

Should you require any further information, please do not hesitate to contact me.

Yours sincerely
