Planning application number... 2014/3590/P

Planning application address... 7-9 Crowndale Road

I support the application (please state reasons below)
I object to the application (please state reasons below)

Your comments

* The Change of ground & basement floors from Shop to a Community Centre is so damaging ^{our business} and inappropriate for a Community Center in the form of noise, nuisance & general disturbance for all the area and out of the character with our surrounding.

* In my experience a Community Center should be in an open area like shopping centre together. Several facilities under one roof

* And also this premises is not big enough for any community to be served
