Your comments

In principle I support this, however there is no mention in "The Proposed Work" section as to what this proposed single storey extension is actually for. A few extra words, e.g. for extra facilities for residents/for staff/for outdoor space/etc" would have been helpful.

P.S. Your website is way too complicated. Why isn't this planning application on the front page or easy to access by way of a dedicated "button"?

Please continue on extra sheets if you wish

A "prepare" envelope would be helpful !!
