Your comments

I OBJECT. THOUGHT THIS WAS IN A
CONSERVATION AREA & WISHING
TO RETAIN THE BEAUTY OF WOODEN
WINDOWS & MUCH PREFERRED TO
PLASTIC! I believe the quality of a
good/superior paint is far more
attractive and resilient to
plastic which is susceptible to
staining from tree & bird residue!
The house at No 111 believe
has just had all their ^{wooden} windows
repainted in a good quality paint!!
In all the circumstances I believe
it would be a mistake to change
to plastic.

NB I STATE THIS AS A CHARTERED

SURVEYOR
