2014/4738/P	Marchmont Association	62 Marchmont Street London WC1N 1AB	26/10/2014 15:16:33	NOBJ	<p>The Marchmont Association would like to object to certain aspects of this proposal.</p> <p>We are concerned about loss of light and privacy as a result of the further enlargement of the rear extension.</p> <p>We are also concerned about overlooking and potential noise nuisance which may be caused to neighbours if the rear terrace id permitted to be used as a terrace as proposed. We also strongly object to a rain pipe being installed on the front elevation because of the harm it will cause the appearance of the listed terrace, which has already suffered from the installation of similar ugly additions that were unfortunately not picked up on at the time they were installed.</p>
