2014/5054/P	Henrik Clarke	1A College Yard Highgate Road Kentish Town NW51NX	03/10/2014 20:38:51	SUPPRT	<p>I am pleased to report that this development, once complete, and with a strictly enforced no cars policy will not hinder my existing garage business. The plan will not restrict the size of vehicles accessing my premises.</p> <p>A good solution has been round for the yard's NE wall, bike sheds amongst some existing greenery. Resurfacing and some brickwork repair will further improve the appearance.</p> <p>Traffic, noise, and disturbance during works will be a trial to all nearby. The developer is seeking to minimise this for all affected. I await their detailed site management plan with optimism.</p> <p>The brightening up and opening up of College Lane will help reduce dog fouling, fly tipping, and other activities.</p> <p>For these reasons I support Peaceline Ltd's application.</p> <p>Motohen Garage</p> <p>8/9/14</p>
