2014/5258/P	Mrs Samantha Edwards	Flat 2 29-30 Thurlow Road NW3 5PH	20/10/2014 10:38:34	NOBJ	<p>I am a 12 year resident and freeholder of Flat 3 in 29-30 Thurlow Road, as well as a Director and Secretary of 20-30 Thurlow Road Ltd...</p> <p>29 - 30 is run as a block of 8 flats, with the owner of each flat having a share of the overall freehold. I own a one eighth share, as does Lucy Smouha.</p> <p>As such, I strongly support this application, for proposed works to Flat 5...</p> <p>Any work done to refurbish and modernise the flats in these wonderful houses is only a positive thing that helps conserve the building and adds to the general improvement of the properties as a whole.</p> <p>The current state of the flat is in sore need of attention.</p> <p>I have known Lucy Smouha for over a decade as a active, supportive Hampstead resident with a keen interest in local issues, as well as an informed commitment to maintenance and refurbishment of any property she owns. She only employs the best architects, builders and suppliers and I am positive that the end result on Flat 5 will be as outstanding as it is well needed.</p> <p>This will be a sympathetic schedule of works that I heartily approve of and support.</p>
