2014/5276/P	N Mayo	12A Hollycroft Avenue	07/10/2014 22:26:25	OBJ	<p>The house is in an important setting opposite the Bull and Bush public house and close to Ivy House. Despite it being a main road, the road has a green setting in keeping with the important adjacent green spaces of Golders Hill, Ivy House and the Heath Extension.</p> <p>The frontage and boundary treatment currently forms a positive contribution to the street scene, with a low brick wall and shrubs behind, creating a pleasant setting to the house.</p> <p>The formation of a car park would have a very significant negative impact on the street scene and on the view from the Bull and Bush garden, where patrons enjoy sitting outside.</p> <p>The exit from the proposed car park onto North End Way is likely to be hazardous, close to a zebra crossing and street trees.</p>
