2014/5443/P	Marcus Marsh	Yamato Transport Europe Unit 5 Poyle 14 Newlands Drive Colnbrook, Berkshire, SL3 0DX	08/10/2014 09:35:55	SUPPRT	As the retail tenants occupying the ground floor of 122 Drummond Street, we have no objection to residential use of the basement. It would not affect our use of the retail space and would be added security and surveillance during non-trading hours. We actively support this application to provide a single person flat in an area of high need and demand, which is undergoing rapid development and where there already is a shortage of residential accommodation. The planned HS2 and Google Headquarters will further add to the pressure on housing. We regard this application as adding vibrancy to the area and as an efficient and effective use of a space which is otherwise of limited use.
