2014/5473/P	Edward Lees	7 Rudall Crescent London NW31RR	27/10/2014 09:41:18	OBJ	I am concerned about the design of the application, particularly the increased overlooking onto my property. Furthermore I believe the size of the proposed extension will create further crowding in an already heavily-built up area, potentially blocking light into my property.
2014/5473/P	Giles Raymond	9 Rudall Crescent Lopndon NW3 1RR	24/10/2014 09:39:15	OBJEMPER	I am concerned about the overall massing and design of the application, in a built environment that is already crowded. Also the blocking of light into the rear of my property and increased overlooking from the side doors and increased usage of the side terrace along with the actual extension itself, which would appear to extend over more than half of the small garden.
