Dear Sir/Madam

**DECISION**

Town and Country Planning Act 1990, Section 191 and 192

**Certificate of Lawfulness (Proposed) Refused**Address:  
**24 Quadrant Grove**  
**London**  
**NW5 4JN**Proposal:  
Basement extension to dwellinghouse.  
Drawing Nos: Siteplan, 1210(P)01, 1210(P)02, 1210(P)04C.The Council has considered your application and decided to **refuse** a certificate of lawfulness for the following reason:

## Reason(s) for Refusal

- 1 The proposed basement, by virtue of it being development involving significant excavation and engineering works necessitating the engagement of a specialist engineer, would as a matter of fact and degree, constitute an 'engineering operation' of a scale and complexity requiring a separate grant of planning permission and would exceed the scope of (and hence fall outside) of any permitted development right outlined in the Town and Country Planning (General Permitted Development) Order 1995 as amended.
