We live nearby and know the property well.</p> <p>We have seen the planning application and particularly like that the period features of the property will be retained.</p>
2014/5898/P	Dr Melody Wilson (nee Taheri)	9 Belsize Crescent London NW3 5QY	20/10/2014 14:00:23	SUPPRT	<p>I would like to register my support of the planning application at 13 Glenilla Road, NW3 4AJ.</p> <p>It is design that is sympathetic to the period of the property and its existing features whilst creating a family home, a much needed commodity in this area.</p> <p>I hope that my comments are helpful in clarifying my support and that you will grant this application.</p> <p>Yours sincerely</p> <p>Dr Melody Wilson (née Taheri) MBBS Bsc (Hons) MRCOG</p>
2014/5898/P	PIVARD	11 Glenilla Road Flat 3 NW3 4AJ	01/10/2014 17:08:24	OBJ	<p>Could you please provide more information about the project:</p> <ul style="list-style-type: none"> - When do you plan to start the works? - For how long is it going to last? - What are your solutions to minimise the noise from plant equipment ? - Are you going to work on weekends? - At what time will you start in the morning and when will you stop in the afternoon? - Will you consider the other building works in the area (other basement extension in the street currently on-going just opposite 13 Glenilla Road, building works on Tudor close) - How many parking spaces will you block and for how long? - What will be the light impacts for the neighbours? <p>My main concerns are the massive impact of noise in this residential area especially considering all the other projects currently ongoing in the area the loss of light for the neighbours. Moreover I realise this is very personal but I need to raise that I will go on maternity leave soon and will have no other choice but to be at home most of the day. I am really concerned by the level of noise of this kind of project and the negative it impact it will have on me and my future baby.</p> <p>Thanks for letting me know.</p>
2014/5898/P	Anoush Taheri	ground floor flat 9 belsize crescent london nw3 5qy	20/10/2014 16:22:21	SUPPRT	<p>I live nearby and would like to express my support for the planning application at 13 Glenilla Road, NW3 4AJ. The plans will preserve and enhance the existing design and character of the properties in the neighbourhood and provide a light, airy, modern family unit which is short in supply in the area.</p>
