Your comments on the planning application

I am very concerned about the loss of light to my property the lack of sunlight to my garden the lack of privacy to my household the feeling of being closed in and in a prison recreation area the noise from new uses this is my little haven of peace and quiet and I do not want it destroyed to add yet another office floor of which there is a whole empty office block right next door that has been empty for over a year now and the proposed office building just across the road which is nearly finished in new oxford so there is no reason for yet another office floor as there are plenty of empty ones just a few steps away.
