| 2014/5934/P | Abedin | 70 Rosslyn Hill | 17/10/2014 21:22:12 | OBJLETTE R | Dear Mr. McClue, I write in reply to your letter dated 29/09/2014 asking for our comments on above submitted application. The basement has been constructed and this should be a retrospective application. The application needs to be invalid and should be for retention. Your office should go inside the property to verify this. |
