Dear Olivier, I am sending this direct to you as the e-notification isn't working. All good wishes, Richard

ADVICE from Primrose Hill Conservation Area Advisory Committee

55 Gloucester Avenue 2014/5488/P

We very much regret that this application is submitted separately from 2014/4604/P: the cumulative changes to the building should be considered together.

We do not object to the basement spaces, although they are out-of-proportion to the scale of the original building.
