

The KX PLUS

Benefits and Specification

Protection and privacy:

The kiosk provides protection from the weather and surrounding noise, as well as offering privacy for the user. The door handle is designed and positioned to make it easy to use - especially by young people, the old and disabled.

High visibility:

The new design provides a brighter more visible and

comfortable environment for customers. Its distinctive colouring and improved internal and external illumination means it can be easily seen from a distance and it will suite all environments.

Internal features:

Optional features to add comfort and convenience, include a shelf, writing surface and seat. The internal notice area is backlit.

Easy access:

The kiosks are sited level with the surrounding pavement, allowing easier access for elderly and disabled customers.

Dimensions:

Weight - 380 kg
 Height - 2495 mm
 Width - 900 mm
 Depth - 900 mm
