2014/6174/T	Helen Anderson	Flat 5 - 36 Frognal Hampstead London NW3 6AG	17/10/2014 17:18:38	SUPPEMPE R	I fully support the proposed felling & grinding to stump. I live in the neighbouring property, 36 Frognal and an arboculturist's report confirmed this tree is contributing to subsidence at our property, 36 Frognal.
