2014/6255/P	Victoria Bracken	2 Belmont Street Camden NW18HH	20/10/2014 14:16:04	SUPPRT	I am in full support of the submitted plans. The doorway to be altered is currently subject to severe antisocial behaviour such as urination, defecation, drug abuse and sexual activity. I'm convinced that the planned work will vastly reduce this behaviour.
