| 2014/6031/P     | Nicholas Imrie   | Flat J<br>118-122 Grafton<br>Road<br>Kentish Town | 20/10/2014 09:39:40 | OBJ      | Hi, we are staying in the flat directly above and strongly object to the plans.<br><br>Not only will there be quite considerable disruption when the flat is being built but it also means that there will be more noise and disturbance on the evenings and weekends. We chose our flat because it is a mixed use development!  |
| 2014/6031/P     | Morag McLaren    | 118-122 Grafton<br>Road                           | 20/10/2014 09:27:11 | COMMNT   | Concerns re:<br>Access: only 1 entry door to property building works could cause restrictions / blockages<br>Security: during build likely that main entry door will be left / propped open negating double door security<br>Noise: currently there is almost no noise from property outside of 9-5 or on weekends. Concerned that building work will be happening outside Mon-Fri 9-5 disturbing the peace. |
