Dear Mr Nelson

Re: Application 2014/5724/p

We are the owners of Flat F, 45 Maresfield Gardens. We'd like to voice our concern with respect to the above planning application.

We are concerned that the proposed rear extension is disproportionately large in relation to the size of the building and its surrounding structures. We are not assured that the current extension and excavation work will not damage the structure of our own (adjoining) building. This damage is rarely seen at the time of construction, but rather months or even years later. We therefore object to this application on the basis that it will compromise the stability of our property.

Yours sincerely  
Amir & Limor Chen
