

The Contractor's attention is drawn to the Health & Safety matters identified in the Health & Safety plan as being potentially hazardous. These items should not be considered as a complete and final list. The Work Package Contractor's normal Health and Safety obligations still apply when undertaking constructional operations both on and off site.

Finished floor levels are taken from Plowman Craven survey received 26/09/12 and refer to level at main core unless otherwise indicated

**All steelwork is indicative and subject to accurate site survey;
read in conjunction with Structural Engineer information**
