Dear Mr. Thuaire,

Ref: APP/X5210/A/14/2220872

Please do not allow the demolition of Athlone House. Planning permission was granted on the written assurance from the developers that the house would be restored. Please make sure the Section 106 agreements are upheld to enable **public confidence in the planning** process. Please do your part to minimise the architectural vandalism in our beloved city.

Sincerely,

Kirk Hendry
