

Notes:

2D line drawings and larger scale drawings take precedence. Figure dimensions only are to be taken from the drawing.
 All building and site dimensions, levels and sewer invert levels at connection points are to be checked and verified on site by the contractor prior to the placement of orders for materials or the initiation of work and any discrepancy, omission or error is to be reported to the architect immediately for verification.
 The contractor is to comply with current Building Regulations, British Standard Specifications, Building Regulations etc. Wherever or not specifically stated on the drawings. This drawing must be checked by a specialist and design documentation provided.
