24. Type of Proposed Advertisement(s)							
Please describe the proposed advertisement(s):							
Replace fluorescent lighted wall signage above shop front with new, smaller LED lighted signage per drawings. Replace fluorescent lighted flag signage perpendicular to shop front with new LED lighted signage per drawing.							
How many of the following type of advertisements are you applying for?							
Fascia sign(s) 1 Projecting or hanging sign(s) 1 Hoarding(s) 0 Other 0							
25. Location of Advertisement(s)							
Is the advertisement(s) you are applying for already in place? Yes No							
Is an existing advertisement(s) to be removed and replaced by the advertisement(s) in this proposal? Yes No Not Applicable							
If Yes to either or both above, please show the existing sign(s) on an elevation drawing or photograph and state the references for the drawing(s) or photograph(s).							
See drawings and photos							
Will the proposed advertisement(s) project over a footpath or other public highway? • Yes • No							
26. Advertisement(s) Period							
Please state the period of time for which consent is sought for the advertisement							
From: 14/01/2015 To: 31/07/2016							
27. Interest in the Land							
Does the applicant own the land or buildings where the adverts are to be placed? Yes No							
If No, has the permission of the owner or any other person entitled to give permission for the display of an advertisement been obtained? Yes No							
If No, why has permission not been obtained?							
Plans have been submitted to building owner and landlord, Transport for London, contact Jessica Lakin jessicalakin@tfl.uk							
28 (a). Details of Proposed Advertisement(s) - Fascia Sign							
What is the height from the ground to the base of the advertisement (in metres)?							
What is the maximum projection of the advertisement from face of building (in metres)?							
What are the dimensions of the proposed advertisement? Height: 0.750 x Width: 3.600 x Depth: 0.075 metres							
What materials will the sign be made of?							
aluminium framed with LED backlit translucent acrylic panel							
What is the maximum height of any of the individual letters and symbols (in centimetres)? 30.000 cm							
The colour of text and background:							
white text on royal blue background (matches existing, see photo) with red accent at logo.							
Will the sign be illuminated? • Yes No							
Will the sign be illuminated internally or externally? • Internally Externally							
Illuminance Levels: cd/m							
Will the illumination be static or intermittent? Static Intermittent
