23 October 2014

Dear Mr Heather

21-31 NEW OXFORD STREET, LONDON, WC1A 1BA

Thank you for consulting us on these proposals, a version of which we commented on favourably at pre-application stage. The current proposals would, in our view, have a positive impact on this redundant building and could go some way towards improving the surrounding public realm and the settings of nearby designated heritage assets.

Yours sincerely

Michael Dunn
Principal Inspector of Historic Buildings and Areas
