

Dear Planning Officer,

I recently received a letter from your office regarding the potential felling of a tree in 39 Upper Park Road, London NW3 2UL and I would like to object to this proposed work.

Below is my response in the format of the Comment Form which you kindly provided:

Name: Arasnath Kimis

Address: Flat 1st and 2nd Floor, 39 Upper Park Road, London NW3 2UL Email address: arasnath@cantab.net

Telephone number: 07956 300386 Planning application number: 2014/6320/T Planning application address: 39 Upper Park Road, London NW3 2UL

I OBJECT to the application for the following proposed work to a tree:

REAR GARDEN: 1 x Sycamore - Fell to ground level

Comments

The sycamore tree is a key feature of the garden and an plays a significant role in the quality of life.

1. The tree makes an attractive visual contribution to the community living in the Upper Park Road and Lawn Road neighbouring homes - a group of over 70 people.
2. It shields my flat from the neighbours and provides significant privacy.
3. The tree's foliage works in tandem with other greenery to provide a tranquil, verdant scene. It is much less stressful than looking at another brick wall / house.
4. The tree often has birds, squirrel and other animals using it as their habitat. This can be a rare sight in urban living and should be cherished.
5. It represents a very important feature of living in Belsize Park/Hampstead where one is close to nature.
6. The tree is healthy, in a safe condition and will have a long life expectancy.
7. It doesn't impact any boundary walls or any building structures.

As such, I would appreciate it permission is not given for the felling of the sycamore tree.

Thank you.

Kind regards,  
Aras.
