Your comments on the planning application

I am an elderly long-term resident in a small ground floor flat almost directly opposite the proposed demolition site of this Victorian/Edwardian building in our conservation area. The erection of such a substantial edifice extended across the present site would greatly reduce light and air to this house. Not to mention the acute discomfort and distress the impact of lorries, skips etc and disturbance on the street where there are 3 schools would cause not only me but all my neighbours. The proposal is distressing!
