Your comments on the planning application: We are concerned that residential units will increase the pressure on parking around Erskine Road and King Henry's Road. This is already difficult and could create real issues for residents.

In addition losing offices in the Primrose Hill Community is going to negatively affect local businesses during the day. These businesses are mostly independent and rely on day business from workers who come to Primrose Hill to work in these offices. The residents who would be buying and living in these types of residential properties would mostly not be in Primrose Hill during the day.
