Title: First name: Surname:

Reference:

Date (DD/MM/YYYY): (Must be pre-application submission)

Details of the pre-application advice received:

"Many of the properties within the terrace have been extended at the rear with one and two storey extensions. A two storey infill extension is therefore considered to be acceptable in principle in this location as the rhythm and uniform character of the row of terraces has been significantly altered. However, the first floor extension is quite high and has a floor to ceiling distance of 3.10m. The recommend floor to ceiling height in Camden Planning Guidance 2 - Housing (pdf) is 2.3m and so there appears to be scope to reduce the height of the extension to make it acceptable. The height of the first floor extension should be reduced so that the existing rhythm of the original closet wing can still be read which would maintain the character and appearance of the property." - [PLEASE NOTE: THERE WILL BE NO CHANGES TO CEILING HEIGHT. THE PROPOSED EXTENSION CEILING HEIGHT IS THE SAME AS THE EXISTING CEILING HEIGHT OF THE PROPERTY].
