This proposed building will completely block my view & will look totally out of place. The design does not fit in with the surrounding buildings & appears to be even higher than the O2 Centre! It will not benefit at all the 'local' atmosphere. The noise & safety levels are already at their maximum & the thought of over 90 students enjoying their social life at the expense of long serving loyal residents is just abhorrent! It is high time that Camden Council took notice & appreciated the residents living opposite. Not to mention the security of the rail lines & the noise they produce.

I also understand there has been a discrepancy over the dates 'comments' are accepted & have been out on-line!
