Dear Mr Nelson

I live nearby and would like to express my support for the planning application at 13 Glenilla Road, NW3 4AJ. The plans will preserve and enhance the existing design and character of the properties in the neighbourhood and provide a light, airy, modern family unit which is short in supply in the area.

Sincerely

Anoush Taheri

Dear Mr Nelson

I would like to register my support of the planning application at 13 Glenilla Road, NW3 4AJ.

It is design that is sympathetic to the period of the property and its existing features whilst creating a family home, a much needed commodity in this area.

I hope that my comments are helpful in clarifying my support and that you will grant this application.

Yours sincerely

Dear Sir/Madam

RE: APPLICATION REF. NO.2014/5898/P

I am writing regarding the above notice to erect a single storey rear extension and basement extension to existing ground floor flat on No. 13 Glenilla Road, London NW3 4AJ.

As a tenant, the noise involved during construction is not easy to bear with as construction takes many months. It will not be fair for the tenants to be subjected to all the construction noise and bumping in construction workers while they work. The landlord resides elsewhere and won't be affected by the noise. Work of this magnitude is best done when there is no one residing in the building.

It's my sincere hope that this will be put into consideration as you make the decision.

Yours faithfully
