I support this application planning if we the Residents of Chamberlain House are included in this planning basically we need new windows. The present windows are very thin and draught coming in through the gaps. Special during the winter it makes the house very cold and takes the heat out.

I also support the planning because there are great need of houses (Floors) there are so many people who are on waiting to be rehoused. This planning will at least reduced the waiting list. As long as this planning floors will be given to the right people. The external appearance of Chamberlain House doesn't look good. The corridor doesn't meet the living standard. I wish it will be included in this application planning.

Please continue on extra sheets if you wish

### Additional Information

Everyone in Chamberlain House did get new kitchen, I didn't get one, reason was, my kitchen was newly fixed before I moved in at least I should be given the choice what colour I wanted. The kitchen, bath room and the toilet wall are not smooth. I think I deserve standard kitchen, bath room and toilet.
