Planning application address..... 47 BELSITE SQUARE, NW3 4HN

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

Long overdue completion of the conversion works at 47 Belsite Square.

In their current state, the asphalt and pathway/steps are a true eyesore for the Belsite Square area. The lack of a proper refuse enclosure attracts foxes to the garbage bins. The proposed work needs to be carried out and it needs to be carried out quickly for the benefit of the inhabitants of 47 Belsite Square and the broader Belsite Square area.
