Your comments on the planning application

To Whom it is concerned,

I am writing on behalf of 18 Parkhill road ground flat (myself) and first floor flat (Harry Abrams).

First of all, we would like the council to formally add our names to the complaint letter made by Dominic Williams (side house 18 Parkhill road) on the 15th of October 2014.

I bought the flat on 18 Parkhill road on the 25th of April 2014. 2 weeks later, I have been made aware by Dominic

Planning Application Details

Williams that the council was planing to put down the wall of my garden and build a 5 storey building 5 meters behind it.

As you are certainly aware, Council searches have been made by my solicitor before the purchase of the flat.

The only thing I received about new planing permissions was that letter sent from Camden regarding a new development on the corner of grafton terrace and Maitland Park Villas. A map has been provided in the letter with the building in dark and an arrow pointing to it.

I have read the letter again after I was made aware of the Aspen house development and it mentions a design for replacing Aspen house will also be on show. It turns out that Aspen house is the house next door that is going to be put down. Back in May 2014 there was no mention of the design in the camden website. I actually found the design project by googling Aspen house and 2d link redirect towards the Architect agency in charge of it.

I do believe that the information sent by the council was deliberately misleading.

Harry Abrams who bought the flat above me in June 2014 is in exactly the same situation.

We are filling an official complaint to the local ombudsman.

Kind Regards

Sebastien
