2014/5589/P	Wendy Gahan	Cliff Road Studios 5 Cliff Road London NW1 9AN	06/11/2014 18:12:30	OBJ	<p>I'm writing to object to this application.</p> <p>My main concern is the loss of light and it's potential impact on mature trees and the associated damage to wildlife in our garden.</p> <p>The structural issues regarding the planned excavation are also deeply worrying and I'd like to know how, if at all, these issues are being addressed.</p>
