Dear Rachel,

Thank you for your info.

These drawings show 2 new windows and balcony on the Heathside elevation on 1st and 2nd floors near Gangmoor. These two windows are in full view of my bedrooms on my 1st and 2nd floors and will result in loss of privacy for both Gangmoor and Whitestone House. The houses intersect at less than 90 degrees at that region.

I object to this loss of privacy on my property. I doubt if Whitestone House would wish their bedrooms to be viewed at a good angle from mine. Please consult with the applicant and advise.

Thanks for your prompt attention and regards
Lincoln Chin

Dear Dr Chin,

Following our telephone conversation the planning committee report can be found on our website [here](#).

Please see the below drawing (643-310) which shows the increase in height adjacent to the lightwell.
