2014/6473/C	Jenny White	Flat 3 22 Netherhall Gardens London NW3 5TH	13/11/2014 20:55:44	APP	<p>I hope Camden will refuse this application. We have already lost some Victorian houses in the area and we cannot afford to lose another. It is in harmony with the architecture of the road, which the proposed new building decidedly isn't.</p> <p>The applicants claim that it has little architectural merit. But that is inconsistent with your own Conservation Area Statement which refers to the positive contribution it makes to the Conservation Area. It is effectively locally listed and should remain so.</p>
2014/6473/C	Linda Williams	Little House A 16A Maresfield Gardens NW3 5SU	13/11/2014 17:50:17	OBJ	<p>I object to the demolition of this house in our conservation area, one whose design is integral and complimentary to its neighbours and whose demolition will affect the character of the street scape. The new proposals do nothing to enhance this conservation area.</p>
