Dear Oliver Nelson,

Re: Application 2014/6735/P

We are already having a situation with Sainsburys Air Conditioning or Freezer units to the South of the Gresse Street apartments. These have apparently been installed without planning permission and it is proving to be a long drawn out dispute. The noise appears to be well over acceptable levels. Several tests have been made by both Camden and the company responsible and Charles Gaville, Noise Officer with Camden Council is involved.

Therefore we are against any further noise. *3no. plant enclosures at ground, first and mezzanine floor levels* sounds like this is the case.

Thank you for any help you can give us regarding this issue.

Yours faithfully,

John Hubbard
