2014/6342/P	Ezra Simon Zekaria	9 Alvanley Gardens London NW6 1JD	14/11/2014 16:15:58	OBJEMAIL	<p>I am the owner of Flat 14 on the third floor in the residential block at 55 - 57 Holmes Road NW5 3AN, the building to which the application refers.</p> <p>My flat has a window alongside the windows of flat 15 on the 3rd floor and above the windows of Flat 10 on the 2nd floor, the two residential units to which the application refers</p> <p>I have concerns regarding the "flat roofs" so marked on the drawings showing 2nd, 3rd and 4th floors. I have concerns that an enterprising developer would find a way to utilise these flat roofs - however small, I would ask that, should planning consent be granted, there is a stipulation that these roofs should be left as flat roofs only, as per the drawings, to ensure that there would be no possibility for these areas to be used as terraces.</p>
