2014/6661/P	john mallett bates	4 ferncroft ave	15/11/2014 15:27:23	COMMEM AIL	Strong objection to this proposals, which attempts to squeeze a residential unit to rear of this commercial property. The proposed studio accommodation/unit would not be a sustainable residence. It will also be detrimental to any future development for this site; particularly at Ground floor level that contains the commercial section. A vibrant restaurant, essential for the well being of the community in hampstead town
