2014/5499/L	Maria Graziella Mearone	43A Calthorpe Street WC1X 0JX	18/11/2014 15:04:46	OBJ	<p>I attended the Hearing for the Appeal re 2014/2284/L on 8th October.</p> <p>At the Hearing the developer produced the plans for 2014/5369/P – but only two copies, which neither myself nor the other attendees had been made aware of prior to nor was this on the website the day before.</p> <p>Since the Hearing I have received no communication from the Council when I would have expected to have been notified as a recognised “Interested Person”:</p> <ul style="list-style-type: none">a) The result of the Hearing for 2014/2284/Lb) The submission of 2014/6550/Lc) The submission of 2014/5499/L <p>As a result of a street notice which I saw around the 11th November I contacted the Planning Department on the 17th November and twice left messages for the case officer to contact me to no avail so far although I have been told verbally the Appeal was declined. Which I have now found on the website.</p> <p>I have looked on the website and notice that for:</p> <ul style="list-style-type: none">a) 2014/6550/L there are no related documents to support it.b) 2014/5499/L there is a Response from English Heritage and reference back to the Application Form for 2014/5369/P and no other related documents. <p>I have looked at the documentation for 2014/5369/P and although there are Floor Plans for Ground, First and Second Floor there are no plans showing the Roof (Third) Floor to show the proposed glass balustrade nor any other structures and proposed use. Nor are there any Elevations to show how the Roof (Third) Floor fits in with the existing roofscape etc.</p> <p>Obviously with no such documentation it is not possible to comment but until such time as this necessary documentation is provided I fail to see how this can be considered to be a consultative process, so I object to this proceeding at this time.</p>
