Dear Sir/Madam

Full Planning Permission Granted

Address:
Somers Town Islamic Cultural & Education Centre
68 Churchway

NW1 1LT

Proposal:
Erection of a single storey rear extension at ground floor level and creation of new front entrance door and window.
Drawing Nos: Siteplan, 02-016, 03-016, 04-016, 05-016, 06-16, 07-16, 08-16, 09-16revA.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: Siteplan, 02-016, 03-016, 04-016, 05-016, 06-16, 07-16, 08-16, 09-16revA.

Reason: For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 The proposed single storey infill rear extension would increase the floor area of the Cultural Centre by 7sqm. The extension would be subordinate to the existing building and would respect the character and appearance of the host building and surrounding area. The proposed new front entrance doors and window would match the existing entrance and be an appropriate addition to the front facade. The proposals would not give rise to any adverse amenity impacts.

Three letters of support and no objections were received prior to making this decision. The planning history of the site and relevant appeal decisions were taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies CS5 and CS14 of the London Borough of Camden Local Development Framework Core Strategy, and policies DP22, DP24 and DP26 of the London Borough of Camden Local Development Framework Development Policies. The proposed development also accords with policies 7.4, 7.6 and 7.8 of the London Plan 2011; and paragraphs 14, 17, and 56 -66 and 126-141 of the National Planning Policy Framework.
