Dear Sirs

Application Ref: 2014/6544/P
9 Grange Gardens, London NW3 7XG

I acknowledge receipt of your notification regarding the planning application consultation regarding 9 Grange Gardens, NW3.

Unless I am mistaken this is a further application to one which was made some little while ago and which was refused at that time.

My fundamental objection to the alterations to this property is that it is built relatively close to the block of flats immediately in front, namely Heath Park Gardens, and any extensions or enlargements become extremely overbearing.

The development originally proposed was acceptable but one property was enlarged many years ago and is really out of keeping with the whole terrace of properties.

As you are aware this is a conservation area and should be regarded with far greater scrutiny than may otherwise be the case.

Accordingly I write to confirm that the planning application should be refused.

Yours faithfully
