Planning application number 2014/6697/P

Planning application address TOWN HALL JUDD ST WC1H 8ND

- I support the application (please state reasons below)
- I object to the application (please state reasons below)

#### Your comments

The sheds opposite 13-20 KILN PLACE are used for wheelchairs shopping trolleys and the like. Demand far exceeds supply and there is a waiting list. The front of our property is very dark and this will exacerbate with a building there. The tenants feel any objections will be disregarded by you as you fail to take our feelings into consideration.

Examples of this are: a) new electricity cables - wires not channeled into walls but left exposed on outside of walls/ceilings  
b) new heating system - pipes left outside running from ceiling to floor in middle of kitchen.  
c) paint flakes pouring off roof when contractors painted wet cement resulting in whole lot having to be taken off, rubbed down & redone - gardens underneath covered in white flakes.

This is a service road for fire engines, ambulances etc. Please well done. There are other sites on the estate you can use. USE THEM!!

Your comments

This seems a reasonable development.  
I support it.  
My only concern would be loss of light from the current flats.  
otherwise I think the redevelopment of the foyer areas is good - a better use than presently of the spaces.
