Remove an to limit redevelopm	spread by red ny major dead ent n points (mos	ducing branch ledwood that rem	ing some soft epicormic growth engths up to 4-5m lengths (where required) to reduce over-extended nature and nains. Crown thin remainder of crown 15% Remove ivy to ground level and remove sing some soft epicormic growth Remove small low branches selectively where

8. Trees - Additional Information For all trees A sketch plan clearly showing the position of trees listed in Question 7 must be provided when applying for works to trees covered by a TPO. A sketch plan is also advised when notifying the LPA of works to trees in a conservation area (see guidance notes). It would also be helpful if you provided details of any advice given on site by an LPA officer. For works to trees covered by a TPO Please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the necessary evidence to support your proposals. (See guidance notes for further details) 1. Condition of the tree(s) - e.g. it is diseased or you have fears that it might break or fall: If YES, you are required to provide written arboricultural advice or other diagnostic information from an appropriate expert. A leged damage to property - e.g. subsidence or damage to drains or drives. If YES, you are required to provide for: Subsidence A report by an engineer or surveyor, to include a description of damage, vegetation, monitoring data, soil, roots and repair proposals. Also a report from an arboriculturist to support the tree work proposals. Other structural damage (e.g. drains, walls and hard surfaces) Written technical evidence from an appropriate expert, including description of damage and possible solutions. Documents and plans (for any tree) Are you providing additional information in support of your application? If Yes, please provide the reference numbers of plans, documents, professional reports, photographs etc in support of your application: MArcus Foster Arboricultural Design & Consultancy - Arboricultural Report 9. Authority Employee/Member With respect to the Authority, I am: (a) a member of staff (b) an elected member (c) related to a member of staff
