2014/4777/P	Charlotte Holdich	7 Jeffrey's Street London NW1 9PS	20/11/2014 22:42:51	NOOBJEM AIL	I object to the amended plans for application 2014/4777/P on the grounds that they are still unsuitable for the Jeffrey's Street conservation area. In the amended plans I see that the developers have modified their design but still have not been able to address the important issue of their failure to purchase garage No.4 and so put forward an acceptable plan.
